#### ONION-EATERS IN PUBLIC SCHOOLS.

The Chicago school-teacher who sent bonnet to her old customer. It was white home a couple of pupils who had been vervet trimmed with sable and a rew pheaseating particularly strong onions for ants quills and tied with sable crown strings breakfast has straightway raised a storm. with a tipy stick pin showing a jewelled bug
An indignant and onion-loving papa has at each car. The bonnet was at the matinee taken the matter before the Board of Edu. the following day, the wearer was happy from cation. He is going "to see about that," all accounts and so was the modiste when she a process involving unknown and terrible received a check for 875 in payment of her things for the schoolma'am affected,

There will be much sympathy for the Fancy blouse watsts to be worn at breakteacher distributed about the country. fast, lunch or at nome evenings couldn't be It is useless to raise any question as to the prettier than they are. They are quality of Chicago's usual atmosphere, or as to how thoroughly accustemed one may have become to it. The savor of conjons has undergable a marked and onions has, undertably, a marked and in front. diffusive power which no ordinary opposition can neutralize.

But what is to be done? That is the grave question. Under the Constitution onions can't be made a forbidden article cal considerations are in the way of building separate schools for partakers building separate schools for partakers and non-partakers. Yet it seems unfair that a teacher should have to bear all the and skirt as trails to be placed diagonally on the other to spare.

Christmas is only a few days distant, so the that a teacher should have to bear all the and skirt as trails to be placed diagonally on the iront of the dress and in small bunches necessity of haste is apparent. The matter is one which must for some for catching up drapertes and lace flounces. time to come absorb the careful attention of the World's Fair city's most brilliantly considerate minds.

In a Pittsburg court the name of "ILGA reachers, known as a "Prince de Galles." HOPFMAN, Jeweller," was repeatedly Well, the "Prince" has been superseded by called for the jury list. ILGA insistently failed to appear. Finally the Judge tasued a summons, and the officer who ing in opposite directions. went to serve it found ILGA was a woman. Presumably it is now an act of contempt Presumably it is now an act of contempt to match gowns, and have open-work or emto mention petticoats in that Judge's broldered fronts.
